BrickSquare

4. Investor Responsibilities

- Review booking, payment, and property details carefully before acceptance.
- Complete payment commitments as per agreed flow or EMI plan, if applicable.
- Raise disputes promptly if legal, payment, or escrow issues are identified.

5. Builder Responsibilities

- Provide verified property, project, and legal details through the platform.
- Honor the approved booking and support ownership transfer / documentation flow.
- Cooperate on dispute, compliance, and escrow review steps if any issue arises.

6. Escrow & Compliance Note

All final payment funds remain subject to escrow review rules configured by the platform. Funds may be held, reviewed, frozen, released, or refunded according to legal, risk, and transaction conditions. Agreement completion does not automatically guarantee immediate payout.

7. Digital Acceptance & Signature Record
